3. How do you know that God hears our prayers and is able to answer?
4. Why do you believe that God will forgive us when we sin?
5. Why does God permit suffering in the world?
6. Does God override my free choice in salvation?
7. Does God send some to hell no matter what they do right or wrong?
8. Does God bring troubles on me as a way to punish me?
9. Does God expect me to live sin-free?
10. Does the Bible teach that God exists as a trinity?

For personal study:

- 1) Read Psalm 19 and find the two ways God reveals Himself to us.
- 2) Read Genesis 1-2 and find the motives for God's creation; compare John 1:1-14, Ephesians 1 and Colossians 1:1-20 and note the involvement of Jesus Christ in creation.
- 3) Read Job 40 to find details of how magnificent is the work of God in creation.
